## FIBER-TV FEATURES

Advanced features including WatchTVEverywhere, Restart TV, a Weather App, and a What's Hot App bring your viewing experience to the next level.

## WATCHTVEVERYWHERE

With WatchTVEverywhere, you can watch select TV programs from devices such as smartphones, tablets, desktops, and even Smart TVs.

WatchTVEverywhere works anywhere you can receive an Internet signal: inside your house, at the office, shopping mall, hotel, airport, vacation home, etc. It includes live TV for some channels and has full episodes of current TV shows.

## RESTART TV

Allows you to restart a program from the beginning even if it's already in progress. Restart TV is available on many of your favorite channels.

## WEATHER APP

You'll be able to check out current temperatures, forecast, and radar with the push of a button on your remote.

## WHAT'S HOT

This cool feature shows you a list of the most watched programs, recorded programs, and series recordings in your area.
